

Ivory rattle consisting of a handle and link, Punuk or Thule, 9.9 cm

Among "ornaments and toys", Rainey (1941, Fig. 24, No. 1, 3 and 4; see below) described five "chain link ornaments", two of which (numbers 3 and 4, each ~7.3 cm) are very similar to this probable child's toy.

Rainey, F.G. (1941): *Eskimo Prehistory: The Okvik Site on the Punuk Islands*. Memoirs, American Museum of Natural History, New York.
